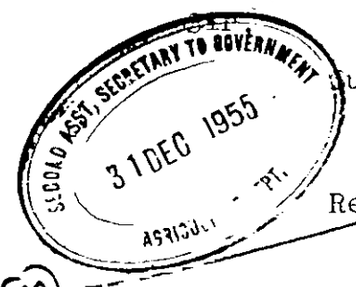
No.Rc. 113993/55/E2 dated 28-12-55.



Sub: Establishment- Office of the Inspector of Fisheries Udipi - Temporary Lower division clerk- Further continuance- Proposals- submitted - orders -Requested.

Ref: 1) G.O. Ms.No.301 Agriculture Department dated 2-2-55.
2) Letter No.12983-B/55 dated 6-12-55 from the Assistant Director of Fisheries, South Kanara, Mangalore.

In the G.O. cited, Government accorded sanction for the continuance of the post of a Lower division clerk in the office of the Inspector of Fisheries, Udipi for a period of one year from 1-3-55 to 29-2-56. As the sanction is due to expire by 29-2-56, and as the post has been in existance for over 5 years, the Assistant Director of Fisheries, South Kanara, Mangalore has submitted proposals for permanent retention of the above said post. As the reorganisation of the Fisheries Department has not yet been over, I submit that the question of permanent retention of the post may be taken up separately after orders regarding the reorganisation are issued. In the mean time, I request that the Government may be pleased to sanction the continuance of the said post of Lower division clerk for a further period of one year from 1-3-56 for the following reasons:--

2. There are two Lower division clerks including the temporary Lower division clerk for which further continuance is sought for now; in the office of the Inspector of Fisheries, Udipi, under the Assistant Director of Fisheries, Mangalore. The statistics of currents received and dealt with etc. by these two clerks for the last one year from 1-12-54 to 30-11-55 are furnished below:--

1) No. of currents received (Numbered)		8,347
2) No. of un-numbered papers received.		5,000
3) No.of letters fair copied.		10,920
4) No.of papers despatched:		13,500
5) Amount of stamp used.		Rs.654-13-0
6) No.of bills cashed:-		336.
7) Amount of bills cashed:	Rs.	91,824-4-8
8) Other amounts received.	Rs.	2,642-4-3
9) Total amount disbursed.	Rs.	94,466-8-11
10) No.of periodicals:--		

Weekly	1
Fortnightly	2
Monthly	16
Quarterly	15
Half-yearly	5
Annual	11
	50

From the particulars furnished above, it will be seen that the volume of work in the office of the Inspector of Fisheries, Udipi cannot be turned out by a single clerk and therefore, it is absolutely essential that the post of the temporary Lower division clerk whose continuance was last sanctioned in the G.O. read above, is continued beyond 29-2-56. The Inspector of Fisheries, Udipi is in-charge of all the fisheries activities of the Udipi and Coondapur taluks. There are 8 Fish Curing Yards and

and 17 Fisheries Schools of which 2 are Higher Elementary Schools. The Inland unit of Udipi section has 6 demonstration tanks and 15 provincialised tanks and 2 important collection centres. In addition to this, Deep Sea Fishing operations have also been proposed to be started in three centres in the Udipi Section. The original correspondence in administrative matters of the above institution are dealt with in the office of the Inspector of Fisheries, Udipi and the amount of clerical work arising out of the day to day. Administration is so heavy that it requires the services of the additional Lower division clerk for which sanction is now sought for. In the circumstances, I request that orders may kindly be issued sanctioning the continuance of the post for a further period of one year from 1-3-1956 early.
